From

The Hon'ble Diwan Bahadur L.D. Swamikannu Pillai Avl., I.S.

Ag. Director of Agriculture,

Madras.

To

The Secretary to Government,

Revenue (Special) Department.

Sir,

With reference to the correspondence ending with G.O. No. Misc. 172 Revenue (Special) dated 30th January 1919. I have the honour to request that sanction may be accorded for the retention of Agricultural Farm buildings at Bellary. The office of the Assistant Director of Agriculture III Circle was transferred on 24th December 1919 from them to the buildings occupied by the Deputy Director of Agriculture, III Circle in the cantonment and the farm buildings were under occupation by the Assistant Director of Agriculture as a residence since that date pending decision as to whether they should be handed over to the Public Works Department or retained under departmental control.

2. It is proposed to utilise these buildings

(1) as a store for the cotton kappas and lint of the

(2) as quarters for the Agricultural Demonstrator, Head cooly and messenger.

The compound may also be utilised by this department as a cotton market, when one is started here after sufficient experience is gained of the working of the Tiruppur market.

3. As the Agricultural Demonstrator is not entitled to free quarters, I propose that a monthly rental of Rs. 4-8-0 may be collected from him. This amount is

calculated at an annual rental of 5½ per cent on the capital cost of the building viz. Rs. 976/-.

CTO/4644/III Dir of Hort No 2390-521/SL Dt

Kandyal is the permanent headquarters of the asst Dir of Hort II & III Circles. The building in which his office was located was declared unfit for occupation and pending the construction of new office the head quarters of the asst Dir were transferred temporarily to Bellary and the office was accommodated in the agricultural farm buildings

The farm buildings had been in G.O No. 3847 dt 13.12.18 transferred to P.W.D. for the location of the offices of the asst Dir & they were ordered to be retained by the Agl Depn

The asst Dir remained in the farm buildings for many years and these buildings are now vacant. Under the orders in G.O No 3847 dt 13.12.18 these buildings should be transferred to the P.W.D. The Director proposals now are that the farm buildings at Bellary may be retained by the Agl Depn & that they may be used as office for the Station staff of the Seed Unions and as quarters for the asst demonstrator Head Cooly & Messenger.
